## STUDY PROGRAMMES

### 5-year bilingual study

English language: subjects taught in English: Civics, Geography, Literature, Art, IT

### 8-year general study

General education: Maths, Chemistry, Biology, Physics, IT,

## LANGUAGES

English German Russian

French Italian Spanish

## General information:

- known as "Javorka",
- established in 1992 to meet the growing demand for bilingual education in the Spiš region,
- involvement in the INFOVEK project in 1998,
- creation of a Network Academy as part of the CISCO Networking Academy Program and a partnership with the IT VALLEY association in Košice.
- 2014/2015 school year, the school further expanded its offerings by establishing a MikroTik Educational Academy.
- We are the first post-revolution gymnasium in Slovakia with an eight-year study program focused on teaching foreign languages and IT.

## Profile:

- School/Educational Center - General Education at secondary level
- Public body
- Non-profit organization

## Study programmes:

5-year English bilingual grammar school, where students take their final "Maturita" exam at the C1 level.

- students are aged 14 to 19, with a final Maturita exam at the C1 level. We teach English alongside other subjects in English, including English and American Literature, Civics, History, Geography, Art, and Culture. We plan to expand our bilingual offerings to include subjects such as Biology in English, Physics, Business English, and Programming.

8-year grammar school with extended English language: General education, age of students 11 - 19.

- we offer an extended number of hours for IT and foreign language lessons, among other subjects. Starting from the prima class, students receive education in Biology, Chemistry, Physics, IT, Mathematics, and two foreign languages: English and a second language (German, French, or Russian).

## SCHOOL STRUCTURE:

- Number of students: 341
- Number of teachers: 34

## SCOPE OF WORK:

- Educational programme for students
- Life-long learning programme for teachers
- European development plan
- Representative and promotional activities

## TARGET GROUPS:

- Students aged 13-19 at bilingual program
- Students aged 11-19 at 8-year general program
- Teachers

## TOPICS OF INTERESTS:

- languages, digital, entrepreneurship, IT competences
- critical thinking
- mental health and well-being
- Project-based or interdisciplinary teaching/learning
- CLIL methods in teaching
